THE EMERSON CUP 2014

A Great Design Deserves The World's Attention

THE EMERSON CUP 2014 AWARDS CEREMONY

September 05, 2014
IGBC-Exhibition, HICC, Hyderabad

The Emerson Cup is an annual competition instituted by Emerson Climate Technologies that rewards outstanding designs and innovations in the Air-conditioning, Refrigeration and Cold Chain industry in India. With an eminent panel of judges every year, the competition has grown to be one of the biggest HVACR industry events in promoting efficient and environmentally responsible technologies for sustainable design solutions.
