

INSTALL PROTECTION

IMPROVE INDOOR AIR QUALITY WITH MICROBAN®

Class 0 Armaflex® Plus anti-microbial duct insulation for enhanced indoor air quality

Key Features:

- Lifelong built - in product anti-microbial protection
- Extremely low thermal conductivity, $\lambda_{0.03} \leq 0.033 \text{ W/(m} \cdot \text{K)}$
- Very high water vapour diffusion resistance, $\mu \geq 10,000$
- FM Approved

Applications:

Insulation for air-conditioning/air ducts, to prevent condensation and save energy - **install it. trust it.**

**Class 0 Armaflex®
Plus**

WITH  **Microban®**
antimicrobial product protection
