

Dear Sir,

We'd like to take this opportunity to introduce ourselves as “ **Shethia Erectors & Material Handlers Ltd.**” and we are one of the top suppliers of mobile and crawler cranes in India since 1968.

- Initially it started with only one crane with capacity of 10 tons & had only 7 personnel on its payroll
- It had its own workshop at Kapurbawadi in 1985 with total 30 equipments with capacity of maximum 100 Tons
- Due to its hard core philosophy of providing better & fast services to its customers, it started growing in leaps & bounds
- Shethia Erectors & Material Handlers Ltd. Came into existence / born in June 1989 with total 35 equipment to cater its services to the Corporate bodies & to fulfill their requirements
- Based on the requirement we shifted to larger Works in Panvel which is spread over 3.5 acres of land with the state of the art facility
- We have a fleet of more than 90 crawler / telescopic cranes ranging from 50t up to 1100t capacity cranes

We do offer wide range of Mobile and Crawler Cranes ranging from 20 tons - 1100 tons capacity to various Indian and Multi National Corporates. Our vast and diversified experience in the crane industry helps our customer to optimize on their productivity, precision & timely work completion.

We have an excellent back up infrastructure boosted by experienced & highly trained team of Supervisory Staff as well as technicians/service engineers, to take care of any eventuality. We have a well-organized Engineering Facility where we have established a comprehensive critical spare part stock so as to cater to the requirement of preventive maintenance schedules and in case of unfortunate break downs.

We have total strength of 95 Mobile/ Crawler Cranes operating at various project sites in India. We have a fleet of less than 3 year old heavy cranes from **Liebherr** 2* LR1300 (Cap. 300t), 3*LR1350 (Cap 350t), 2*LR1400/2 (400t), 3*LR1600/2 (600t) all crawler cranes and telescopic cranes like Krupp KMK 8400 (400t) and 3*Liebherr LTM1225 (225 ton capacity), One Truck Lattice Gottwald AK850 (850T), out of this one crane – Liebherr LR1600 - is fully loaded with super-lift/derik.
